A Message from Clay County Tax Collector Diane Hutchings

The Tax Collector's Annual Tax Certificate Sale is a vital part of our tax collection process, and I would like to thank you for investing in Clay County's sale. I sincerely appreciate your participation. This year, we are making a few changes to our bidding process that I would like to share as we prepare to open our sale at 8 a.m. on May 13, 2021.

It is my goal to provide a Tax Certificate Sale with the foremost consideration of our taxpayers, taxing authorities, and the tax investors in mind. The Clay County Tax Certificate Sale is now a bidding entity only sale. Therefore, bidders will no longer be able to register and utilize bidding groups. The Tax Certificate Sale policies and participating bidder agreement have been revised to reflect this change. The Clay County Tax Certificate Sale will continue to be a sale of integrity and fairness in accordance with Florida Statutes.

Clay County 2020 Tax Certificate Sale

1. The Tax Certificate Sale of unpaid 2020 real property taxes will take place on May 27, 2021. The sale will be conducted on the County's tax certificate auction web site, LienHub.com. Bidders can review the advertised list of unpaid real property taxes and submit bids on the web site starting on May 13, 2021.

2. In order to submit bids, you must complete the following steps on LienHub.com:

- a. Complete online registration
- b. Complete an IRS Form W-9
- c. Complete Direct Deposit Form
- d. Submit a deposit (online via ACH)
- e. Establish a budget
- f. Receive bidder number assignment

A social security number or tax identification number must be provided for each buyer and must belong to the person listed on the W-9 form. The tax certificate list, redemption checks and 1099 interest earnings will be issued exactly as indicated on your W-9 form. Until the tax sale is complete, no changes will be made to the bidder number issued. A change of name or tax identification number will constitute an assignment and is subject to service charge for each certificate changed.

3. A deposit of 10% of your expected bids must be made prior to the close of any batch in which you intend to submit bids.

All payments must be made via the Payments Page on LienHub.com. No other form of payment will be accepted.

4. Bidding starts at 18% and interest is bid down in 1/4 percent increments. A zero interest bid will get the bidder the certificate with NO interest. **When your bid is recognized as the low bid on the Results Page, you are obligated to pay for the certificate even if the bid was unintentional.**

5. The properties will be auctioned in the order listed in the newspaper. The 2020 delinquent taxes will be posted followed by prior years. Bidders will be able to begin entering interest rates on the web site beginning the day that the first newspaper advertisement is published. **Some items listed in the newspaper and on the web site will not be auctioned due to payments being received after the list was prepared for publication.**

6. After the sale bidders are given a date that they must pay the balance due via ACH Debit on the Payments Page of the LienHub.com web site. A certificate of ownership and listing of certificates purchased is provided to each buyer. **A bidder failing to make payment in the specified time will forfeit the deposit, and the certificates will be re-sold.**

7. The Tax Collector reserves the right to cancel or correct certificates issued in error. Interest payments may be affected by bankruptcies, U.S. Marshal seizures, property taken over by a receiver, etc.

8. Caution: This is not a sale of real property. It is a lien for the amount of delinquent taxes plus interest. Contact with property owners initiated by certificate owners to encourage payment at any time is not recommended. Contact or behavior of a certificate holder deemed unfair or deceptive may result in criminal prosecution. A tax deed application is the proper and legal method to compel payment.

We in the Tax Collector's Office are happy to be of service to you. We are available to assist you as needed.

Clay County Tax Certificate Sale Frequently Asked Questions

Modified on May 1, 2021

This information has been compiled to answer the most frequently asked questions about delinquent real estate taxes and the sale of tax certificates on the internet.

1. WHEN ARE REAL ESTATE TAXES AND NON-AD VALOREM ASSESSMENTS DUE IN FLORIDA?

Real Estate taxes and non-ad valorem assessments are due each calendar year and are payable November 1 (or later if the tax roll is not certified by the Property Appraiser early enough to meet that date). The taxes become delinquent April 1 of the following year.

2. WHAT HAPPENS WHEN REAL ESTATE TAXES AND NON-AD VALOREM ASSESSMENTS BECOME DELINQUENT?

3% interest (18% per annum for 2 months) plus advertising cost is added when payment is made in April or May. The Tax Collector is required to conduct a sale of tax certificates to collect the preceding year's unpaid real estate taxes. The sale must start on or before June 1, unless a late tax roll makes this impossible.

3. ARE DELINQUENT TAXES PUBLICIZED?

The Tax Collector must advertise the delinquent taxes in a general circulation newspaper. The Board of County Commissioners chooses the newspaper. The advertisement is printed weekly, three times prior to the tax certificate sale.

4. WHAT DOES THE NEWSPAPER AD CONTAIN?

The place, date and time of the tax certificate sale. A listing of each parcel showing the delinquent tax amount, the property owner's name, and the property control number. The parcels are consecutively numbered for reference during the sale. The delinquent tax amount (certificate's face amount) consists of the sum of the following: real estate tax and non-ad valorem assessment amount, interest (3% for months of April and May), Tax Collector commission (5%), newspaper and internet advertising charges and a fee for the cost associated with the sale of tax certificates on the internet.

5. WHAT ARE TAX CERTIFICATES?

They are a first lien on the real estate. Buyers are provided a certificate of ownership and a listing of all certificates purchased.

6. HOW DOES SOMEONE ACQUIRE A TAX CERTIFICATE?

At the public auction conducted on or before June 1st of each year. The auction is called a Tax Certificate Sale.

7. WHO MAY PARTICIPATE IN THE TAX CERTIFICATE SALE?

Anyone. To participate in the sale a bidder must register with the Tax Collector's office via the LienHub.com web site. A bidder number is assigned for identification purposes during the sale. Bidders are required to make a deposit via ACH Debit on the LienHub.com Payments Page that is 10% of the estimated amount they intend to purchase. The deposit may be increased any time prior to the close of the auction.

8. WHAT DO I DO IF I FORGET MY PASSWORD?

Click Sign in and then Forgot your password? on the LienHub.com home page. Answer a few questions and the system will send you a temporary password via email.

9. WHAT IS AN INTERNET AUCTION?

An auction in which bids are transmitted and received through the Internet using a computer and a web browser.

10. HOW DOES THE BIDDING PROCEED?

Each item is auctioned in the order listed in the publication. The bidding begins at 18% (the maximum rate) and is bid down. The winning bidder's number and rate of interest are recorded. Any item not bid upon is struck to the County.

11. WHEN ARE MY BIDS DUE?

Bids can be submitted on the web site once the Advertised List is published on the Internet, usually in early May. The advertised list will be divided into 8 batches, and a following cleanup batch if necessary. Bids can be withdrawn or altered at any point up to the closing of the Batch on the day of the sale.

12. WHAT EQUIPMENT OR SOFTWARE DO I NEED TO BE ABLE TO PARTICIPATE?

In order to use the auction web site you need an Internet connection and modern web browser with JavaScript and cookies enabled.

Many people choose one of the following freely available browsers:

- Google Chrome
- Mozilla Firefox
- Microsoft Internet Explorer

13. IF I HAVE A QUESTION ABOUT HOW TO USE THE WEB SITE, WHO DO I CONTACT?

Contact Grant Street Group by email at LienHub@GrantStreet.com, or by phone at (866) 247-4370, between 8:00 a.m. and 5:00 p.m. EST on business days.

14. WHAT IS A BATCH?

A Batch is an auction subgroup of the Advertised List that serves as a means of organizing tax certificates for the purpose of facilitating bid submission. Each tax certificate in each Batch is auctioned independently of every other tax certificate and arranged in sequential order with a unique auction closing time for each Batch.

15. WHAT IS PROXY BIDDING?

In a live auction, bidders will lower their bids by quarter percent increments until they are the only bidders left or until the interest goes below their acceptable minimum level, at which point they would drop out. Proxy bidding is a form of competitive sale in which bidders enter the minimum interest rate that they are willing to accept for each certificate. The auction system acts as an electronic agent, submitting bids on behalf of each bidder. The result of the proxy system is that the electronic agent keeps lowering the bid to submit by quarter percent increments until you are either the only bidder left, (in which case you get the

certificate at a quarter percent lower than the previous bid) or until you reach the floor you have set. Zero percent bids will not be treated as proxy bids. They will be awarded at zero.

If you are the only bidder on a given certificate and your minimum rate is greater than zero percent, the electronic agent will submit a bid of 18% on your behalf.

In the case of a tie at the winning bid rate, the system awards to one of the tie bidders through a random selection process using a random number generator.

In no case will bidders be awarded certificates at rates lower than their specified minimum acceptable rates.

Certificates that receive no bids will be struck to the county at 18%.

16. WHEN DO THE BIDDERS HAVE TO PAY THE AMOUNT DUE FOR THEIR PURCHASES?

Bidders will receive an email invoice on May 27, 2021 indicating the total amount due, if any. All payments must be made via ACH Debit on the Payments Page of the LienHub.com website by no later than 4:00 p.m. on Tuesday, June 1, 2021. Failure to pay by that date results in the forfeiture of the deposit and makes the certificates available for re-sale.

17. WHAT IS AN ACH DEBIT?

An ACH debit is an electronic payment from your checking or savings account. When you enter your bank account information and submit payment on the auction web site, you are authorizing the tax collector to debit your account for the amount you indicated. All payments are sent for processing immediately. Additional information is available on the page where you authorize payment. Funds must be drawn from a US financial institution. Some types of money market, brokerage, and/or trust accounts cannot accept ACH debits. Please check with your financial institution prior to initiating payment on the web site.

18. WHAT HAPPENS TO MY SECURITY DEPOSIT IF I DON'T WIN ANY CERTIFICATES IN THE AUCTION?

Refunds for unused portions of the deposit will be issued via ACH by the Tax Collector to your bank account. Refunds will be issued on or about June 7, 2021. You will be notified via email when your refund has been issued.

19. HOW DOES THE HOLDER OF THE CERTIFICATE RECEIVE THE INTEREST INCOME?

The Tax Collector remits the principal (face amount of certificate) and the interest earnings when the property taxes are eventually paid or when a Tax Deed is executed.

20. CAN INTEREST RATES BE CHANGED AFTER THE BID?

When a certificate is redeemed and the interest earned is less than 5%, a mandatory charge of 5% is due. This applies to all certificates except those with an interest rate bid of 0%. If a certificate should be cancelled or reduced, the interest earned will be 8% per year, simple interest or the rate of interest bid at the tax certificate sale, whichever is less on the cancelled or reduced amount. Bankruptcy rulings may also affect interest rates.

21. WHY WOULD A CERTIFICATE BE CANCELLED OR REDUCED?

To correct errors, omissions, or double assessments and when ordered by a court.

22. ARE TAX SALE CERTIFICATES TRANSFERABLE?

Certificates may be transferred by completing an endorsement form and paying the applicable fees.

23. WHAT ABOUT TAX CERTIFICATES ISSUED TO THE COUNTY?

County-held tax certificates, other than those on homestead real estate under \$250.00, may be acquired by individuals after the close of the tax sale. The Tax Collector will announce the date(s) these certificates become available.

24. WHAT IS THE LIFE OF A TAX CERTIFICATE?

Certificates are dated as of the first day of the sale and are null and void seven years from the date of issuance. When two years have elapsed since April 1 of the year of issuance, the holder of a tax certificate may submit a Tax Deed Application to the Tax Collector.

25. WHAT IS THE TAX DEED PROCESS?

Any certificate holder, other than the county, making application for a Tax Deed, must pay the Tax Collector a title search fee, an application fee, and the amount required for redemption of all other outstanding tax certificates, interest, omitted taxes and current taxes. The executed application forces the sale of the property at public auction.

26. CAN HOMESTEAD PROPERTY BE SOLD BY TAX DEED?

Yes; but the opening bid must be increased by one-half of the assessed value of the property.

27. WHO CONDUCTS THE TAX DEED SALE?

The Clerk of the Circuit Court. The Tax Deed is issued to the highest bidder. The opening bid must cover all the costs paid by the tax deed applicant plus all other costs for conducting the sale. The title-holder of record has the right to redeem the property, prior to the issuance of a Tax Deed, by paying the Tax Collector all previously described costs.
