GET TO KNOW YOUR NEW HOMETOWN WITH ONE OF THE LONG-TIME RESIDENTS.

Northeast Florida is a great place to live. We should know—we opened our very first branch in Jacksonville in 1952. There's a lot to like about living here; world-class neighborhoods, award-winning schools, and convenient shopping. Oh, and VyStar, one of the nation's largest credit unions with more than 500,000 members. We offer lower cost loans with local loan decision making and servicing, nearly 200 ATMs, 37 full-service branches, mobile check deposit, and an exceptional no closing costs mortgage* program. As you explore all that the area has to offer, we hope you'll also take a look at VyStar to handle your financial needs.

Welcome to the Heart of Clay County, founded on a plan and a dream.

The Town of Penney Farms

Mr. James Cash Penney came to Florida in 1925 with a business plan and a dream.

The plan was to establish a farming institute eight miles west of Green Cove Springs. He bought 120,000 acres at a sheriff's sale, stretching from the St. Johns river to beyond Camp Blanding, and started teaching young homesteaders farming and animal husbandry .

The Town was chartered in 1927 and the name was changed from Long Branch to Penney Farms in Mr. Penney's honor.

Today, with more than 800 residents, the Town is poised to grow along with Clay.

Penney Retirement Community

PENNEY
Retirement † Community

The dream was to build a retirement community for retired missionaries and ministers who had no equity or assets to fund their retirement years. Mr. Penney's father was a minister in the Midwest, so James knew first hand the challenges they faced.

He set aside 200 acres and built Penney Memorial Church in 1926, dedicating it to his parents. Then he built cottages and invited church workers from around the world to come and live, rent-free.

With nearly 500 residents, it is now a large part of the Town. Home to anyone who wants to share their dedication to Christian service to others, Penney has more than 100 veterans, plus business, medical and educational professionals.

J.C. Penney Memorial Scenic Highway

Many of the old buildings are now gone, but Penney Farms has a rich heritage. The oak and magnolia canopy that now graces SR 16 was originally planted by Mr. Penney and his wife, Caroline. It offers a spectacular entry to Penney Farms from both east and west.

In 2010, the 3-mile section of SR 16 was designated as a Florida Scenic Highway, including a loop through the Town. It has delighted visitors from across the country.

Come for a visit — the dream is still alive.

The Clay County Chamber of Commerce President

Thank you for visiting the Clay County Chamber of Commerce website. Consider this a great portal to a vibrant business community. The entire team, comprised of a dedicated Board of Directors, Ambassadors, Committee members, council leadership and staff, will strive to provide great opportunities for you to make your business goals a reality.

2015 was a superb year as we achieved record numbers of new members and enhanced our mentoring process so members at all levels get to enjoy all the benefits of Chamber membership. As we enter 2016 we our introducing a new website that will be transformational allowing us to better serve our members, track our events, gather better analytics and provide greater opportunities for sponsors and members to interact with the website and showcase their business. Our signature events were all successes and will grow in 2016. In addition, we are continuing to add events that allow us to provide networking, education, business growth and community support in an ever increasing manor. We are adding a career fair that will serve both the high school students and the college/adult communities. Our foundation released a Quality of Life report on the community (link to report on front page of our website) and our scholarship program grows as we award scholarships to seniors embarking on the next phase of their lives. Please visit our website to check out the calendar of events.

As you look at the calendar, we have many councils and committees where you can also get involved, network and make new friends. Your input is greatly appreciated as we strive to constantly improve. A key ingredient is knowing what you want so we can tailor events, programs and information to suit your needs. A healthy business community leads to a strong, vibrant and healthy community.

My door is always open, my email is dconkey@claychamber.com and my phone is 904-264-2651 x208. Fun and Inspirational are my key tenets and I strongly encourage you to utilize our services and programs. Help us help you. Let us all have a great 2016.

Doug Conkey,
President

Letter from...

The Clay County Chamber of Commerce Chairman

Many of you reading this are aware that the Clay Chamber of Commerce proudly serves our local businesses and non-profit organizations, providing opportunities for business growth, customer acquisition and community partnerships. You may even know that we have more than 900 dues-paying members – from sole proprietors to Fortune 500 companies. But what many outside the Clay Chamber don't know is that the Chamber is strategically driven by 16 volunteers who serve on our board – business people representing various industries, sizes and types of organizations who care deeply about the future of our local economy and community. We work hard to support our members, in particular our small and new businesses, providing resources, education, and networking opportunities to help them succeed. And thanks to the generous investment of our largest member businesses we are able to create innovative programs and hold important community events to help our small businesses flourish.

In any given week on the Chamber calendar, you may see a dozen or more networking events, training classes and community events promoting the business members and their products and services. But the Chamber does so much more. To provide a sense of the innovation taking place right here in your backyard, let me share with you a few initiatives taking place this year ahead.

Career Mentoring: A terrific initiative beginning this year is the high school career day and mentoring program. Working closely with Clay County Schools, 1,200 students will have the opportunity to not only learn about more than 40 local companies and small businesses, but sign up for internships, mentoring and shadowing of the most established and growth-oriented organizations in the area. By doing so, we are able to help prepare these students for their careers, help them find local employment, and retain the impressive talent our stellar school system is developing right here in Clay County.

Economic Development: The Clay Chamber collaborates with the County and Economic Development Council to attract new businesses and provide seamless entry into our community. This results in more jobs coming to Clay and helps improve the quality of life residents have by creating opportunities for employment, education, residency and recreation within the same geographic proximity.

Business Advocacy: Ensuring our business community is well represented with local and state government is of great importance to the Chamber as well. Whether it is supporting legislation for greater access in our county (such as the First Coast Expressway) or regulations to make it easier for our businesses to be successful – the Chamber listens to its membership and works closely with our representatives to meet the needs of local business.

As the old saying goes "It takes a village to raise a child." This is what being a Clay County Chamber member means – we help one another and by doing so, our community prospers. As one of the many individuals and business representatives who have the privilege to help this great community of ours, I am personally excited to be serving as the Chairman of your Chamber Board and working together to build our local businesses and economy.

David Goldberg, Chairman
Director of Marketing and Public Relations, Orange Park Medical Center

clay CHAMBER
COMMIT. CONNECT. CREATE.

Clay County...A great place to live and work

Clay County residents enjoy a low level of crime and are provided prompt, well-trained service by our county's law enforcement and fire/rescue members when help is needed. The Chamber's Quality of Life Survey recently revealed that nearly 80% of Clay residents feel safe in their neighborhoods. Local agencies, like the CCSO, build strong relationships with our county's faith-based community, non-profit organizations, and the private business sector as well as other governmental entities. The result is a high level of safety for residents and visitors alike - a secure community for everyone to enjoy. Specifically, Clay County's crime rate per 100,000 residents is currently 32% lower than the state average. Additionally, Clay County law enforcement solves nearly double the number of cases annually as the state average. Clay County Sheriff Rick Beseler proudly leads more than 600 agency members (sworn and civilian; full and part time) plus another 300 volunteers. We welcome you to Clay County and hope you'll visit our agency's public website and social media pages to learn more about our county and the many programs and services available to you through the CCSO.

About the Clay County Chamber of Commerce

The Clay County Chamber of Commerce is a non-profit, member-driven organization that strengthens, promotes, and enhances a positive environment for business growth while building important relationships within the community.

An excellent resource for business owners, their employees, military, and community residents, the Clay Chamber offers members unparalleled opportunities for professional development, open networking, company visibility, and outreach into the community. Whether its attending a signature event, marketing a business through various sponsorship opportunities, or gaining professional edification, the Clay County Chamber of Commerce is committed to helping businesses, and the community, thrive and grow.

Through community outreach events such as the Clay County Chamber Foundation Teacher Appreciation Expo, the Clay Community Business and Health Expo, and the Military Appreciation Luncheon, the Clay Chamber and its members make a positive difference in Clay County.

In addition to the outreach of these events, the Chamber's Government Affairs Committee brings business and government together. The committee is dedicated to working for local business owners at all levels of government and assures that each member has a leading voice.

Membership in the Clay County Chamber of Commerce, and being active, can prove to be one of the best business decisions any professional could make. Participation with the Chamber is an easy way to unite with hundreds of other businesses, large and small, and have access to a variety of opportunities to promote business in Clay County and surrounding areas. The Business

facp Florida Association of Chamber Professionals
CERTIFIED CHAMBER OF COMMERCE

and Membership Development Advisory Committee is responsible for overseeing many of the Clay County Chamber organization's events and programs as well as ensuring the members' value proposition. Through this proposition, the Chamber serves the function of offering business referrals to those who are new to the community. Members of the chamber reap the benefit of getting business referrals when someone calls the Chamber asking where they can get a product or service that a member business provides.

People like to do business with those that they know and trust. With the attendance of Chamber events, members get to know a variety of individuals in and outside of the county. If you need a service or product, use one of Clay County Chamber's members, and chances are, they won't forget. Even if they don't personally need your service, they may refer you to their family, friends, and acquaintances.

The Clay Chamber also has volunteer opportunities that range from weekly and monthly commitments to signature events occurring over the course of just one day. Businesses often choose a project and enlist the help of their employees, or reward employees for performing volunteer work in their communities. Whatever the case, there is a strong commitment to make Clay County more vibrant, healthy, and supportive of all its residents and businesses.

Let's have another great Chamber year!

Welcome to Clay County

Tucked along the iconic St. Johns River is one of the fastest-growing counties in Florida: Clay County. The Northeastern Florida location combines the best of all worlds - fantastic weather, beautiful lakes and rivers, a treasure trove of wildlife, and towns and cities that hum with activity. A few minutes from beaches, downtown Jacksonville and historic St. Augustine, this centrally-located county is home to nearly 200,000 residents.

Clay County is a paradise for those who enjoy active outdoor sports. Here, residents can enjoy wildlife that includes bald eagles nesting in the pines and manatees drifting lazily along Doctors Lake. Fishing, canoeing, kayaking, sailing and boating are enjoyed on Black Creek, Doctors Lake, the St. Johns River and other local waterways. There is an abundance of outdoor sporting opportunities, too. Tennis, golf, soccer, biking and hiking are available year-round thanks to the moderate climate.

The county is known for its superior public schools, low cost of living, and modern walkable neighborhoods that incorporate residences, shopping, and recreation. Clay County's roots as an agricultural community are still celebrated at the annual Clay County Fair, which draws over 115,000 people every spring to the Clay County Fairgrounds.

The 2015 Quality of Life Study surveyed local residents about their satisfaction with Clay County. Ninety percent of those surveyed said they are Very Satisfied or Somewhat Satisfied with their life in Clay County.

In 1926, department store pioneer J. C. Penney founded the community of Penney Farms. Initially planned as a farming village, the stock market crash changed his plans and he created a retirement community for clergy, honoring his father who was a minister. Penney Farms includes Penney Retirement Community, a 192-acre Christian continuing care community that is home to more about 500 individuals. The community is now listed on the National Register of Historic Places.

Penney Farms is located along State Road 16 in the middle of Clay County, just west of Green Cove Springs. The community is surrounded by lush shade trees coated in Spanish Moss along the J.C. Penney Memorial Scenic Highway. The quiet rural community hosts an annual Christmas parade and several patriotic events throughout the year.

Many residents of Penney Retirement Community are active in the town's affairs, and several serve on the Town Council. The Penney Farms Equestrian Center is a full-service hunter jumper facility on 45 acres.

The Town of Orange Park was founded in 1877 by a group of businessmen from Boston, Massachusetts who renamed it Orange Park after nearby orange groves following the Civil War. In 1879, the town was incorporated by the state legislature and became home to a large hotel and boat ramp on the St. Johns River that attracted northern tourists on steamboats.

Orange Park is immediately south of Jacksonville and just a few minutes from Naval Air Station Jacksonville. I-295 borders the northern section of Orange Park, providing easy access to the Downtown Jacksonville area, as well as the Beaches, the Jacksonville International Airport, and historic St. Augustine. It also borders the north-flowing St. Johns River and Doctors Lake, providing access to boating, fishing and other water sports from many locations in the town.

Orange Park Medical Center is a full-service hospital with 297 inpatient beds, emergency services, NICU, pediatric and maternity services. It recently announced plans to add a Trauma Center.

The Orange Park Mall, located at Wells Road and Blanding Blvd., has more than 100 stores plus restaurants and a 24-screen AMC movie theatre. Shopping centers dot Blanding Boulevard and U.S. Highway 17, the two main corridors through Orange Park. The town is home to hundreds of local businesses and restaurants and is the most densely populated area of Clay County.

The newest community in Clay County is Oakleaf Plantation, a planned community located in the northwest area of the county. Located in both Clay and Duval counties, the 6,400-acre development boasts a large Town Center featuring numerous popular stores and restaurants as well as a championship golf course.

The community was planned to take advantage of the abundant natural resources there. Bike paths, playgrounds, water parks, tennis and ball fields make Oakleaf a perfect community for family life. Convenient to both Interstate 10 and 295, Oakleaf is just a few minutes from Cecil Field, Jacksonville Naval Air Station and downtown Jacksonville. Oakleaf Plantation includes Oakleaf Village and Plantation Oaks.

Oakleaf's proximity to major highways and Cecil Commerce Center make it an attractive site for business development.

Middleburg is an unincorporated area and census-designated place (CDP) in Clay County. It began in the 1820s first as Clark's Ferry, named for the man who ran the local ferry. From 1833 to 1850, the area was known as Gary's Ferry. Then in 1853, it officially became Middleburg. When Clay County was created in 1858, Middleburg became the county seat until 1874.

One of the largest areas of Clay County, Middleburg includes both rural and small town areas and is fast growing as a center of commerce and recreation in the county. With access to Black Creek and Doctors Lake, the area boasts great fishing, boating and water sports activities. The beautiful Jennings State Forest offers plenty of outdoor activities including hiking, horseback riding, and canoeing.

Middleburg also is home to St. Vincent's Medical Center Clay County, a full-service hospital that recently announced plans to expand, adding maternity and women's services, more ER rooms and 30 additional inpatient beds.

Located at the southern end of Clay County, Keystone Heights is a small town perched on the shore of Lake Geneva. Abundant with lakes, parks and natural beauty, Keystone Heights also features a quaint downtown shopping area where residents gather and shop. Gold Head State Park offers a great place for camping, hiking, boating, horseback riding and encountering local wildlife.

The city of Keystone Heights began in the early 1920s and was settled by a group of people from Pennsylvania who named it after their home state (the "Keystone State"). It officially became a chartered city in 1925. Keystone Heights is home to the Keystone Airport, which straddles Clay and Bradford counties. Built in 1942, it is the only airport between Jacksonville and Gainesville and is known for its International Aerobatic Club.

The small town is a friendly place where neighbors and newcomers alike get together at the year-round weekly farmers' market or enjoy the bike path that stretches from the downtown area to Gold Head State Park. Keystone Beach at Lake Geneva is a favorite place for picnics and includes a large playground called The Geneva Jungle built entirely by volunteers.

Residents are active participants in the Save Our Lakes organization, which advocates for protection of the aquifers that supply water to the city's picturesque lakes. A public golf course is also located in Keystone Heights.

Green Cove Springs serves as the Clay County Seat. Nestled along the banks of the St. Johns River, the City offers both new and historic residential and business areas. Spring Park showcases the natural springs for which the City is named.

The City has the largest amount of available shovel-ready industrial land in Clay County. It is one of the most ideal cities for manufacturers for relocation or expansion, according to The Boyd Company, a site selection firm.

The Magnolia Point Golf and Country Club, located in the City, is the southernmost golf course community in Clay County.

The Augusta Savage Center, named after the famed African-American sculptor who grew up in the City, is being developed.

The Green Cove Springs area is home to the Clay County Fairgrounds, where activities such as the North Florida Hunter Jumper Winter Series, North Florida Scottish Highland Games and Clay County Agricultural Fair take place.

Fleming Island is an unincorporated community in Clay County, located 15 miles southwest of Jacksonville and immediately south of and adjacent to Orange Park. Fleming Island is a true island, as it is nestled between the St. Johns River, Black Creek, Swimming Pen Creek and Doctor's Lake. It is the 104th largest community in Florida. Major housing communities include Eagle Harbor, Pace Island and Fleming Island Plantation.

The abundance of activities, restaurants, churches and outdoor attractions makes Fleming Island a perfect family-friendly community. Boating, fishing, kayaking and other water sports are abundant on all four waterways surrounding the island. A 7-mile long, 8-foot wide sidewalk runs throughout Fleming Island providing a safe and picturesque place for jogging, walking and biking. Black Creek also boast walking and hiking trails and Moccasin Slough offers a nature lover's paradise by canoe, kayak or small boat.

Baptist Medical Center Clay provides outpatient physician and medical services to the area.

Activities in Fleming Island include the Clay County Soccer Club - one of the largest in Florida - as well as several baseball fields, golf courses, parks and tennis courts. The Carmike Cinemas has 12 movie screens and is located within walking distance of several popular restaurants and retail shops. The headquarters of the Clay County Library System is located near Fleming Island High School. Baptist Medical Center - Clay is located on Fleming Island and offers a 24-hour Emergency Room, Children's Emergency Center, outpatient medical services, and physician offices.

POINTS OF INTEREST

A Thriving Arts Community

Music, arts and crafts, theater and festivals take place throughout Clay County year-round. Whether it is the Clay County Agricultural Fair in spring, or the 4th of July Festival, there are events and activities to appeal to every taste and every age.

The Thrasher-Horne Center for the Arts brings top-name musicians, dance, and theater performances to Clay County each year. Additionally, each season includes special performances for children. Performances typically include international ballet troupes, the Jacksonville Symphony Orchestra, pop, rock & country music performers, and other international acts.

The Orange Park Community Theatre brings drama and musicals, as well as children's plays, to the stage. Featuring local performers, the theatre is located in Orange Park

The annual CalaVida Festival in Green Cove Springs brings together musicians, artists, photographers, storytellers, dancers and more for a lively three-day event. The arts and crafts community is actively engaged with ongoing Farmers' Markets in Orange Park, the Third Saturday markets in Green Cove Springs, the annual Arts & Crafts Festival & Sale at Penney Retirement Community, and the large, two-day Arts & Crafts Festival in Orange Park.

The annual Northeast Florida Scottish Games & Festival is the largest one of its kind in the state. It takes place at the Clay County Fairgrounds and includes Scottish foods, dancing, jewelry, demonstrations and arts and crafts. The highlight of the games are the athletic competitions and the Parade of Tartans, complete with bagpipes and kilts.

Celebrating Our History

Clay County is steeped in history that dates back to the early years of the United States. That rich history is commemorated at a number of museums and important local landmarks. Many are linked to the county's deep roots with the military.

The Camp Blanding Museum and Memorial Park includes exhibits from the 20th century wars and engagements. It is located on the campus of Camp Blanding. The Wings of Dreams Aviation Museum, located at the Keystone Heights Airport, includes aircraft displays from WWII as well as other memorabilia. The Military Museum of North Florida in Green Cove Springs presents a look at the uniforms, vehicles and other artifacts of military life over the years.

In Middleburg, the Black Heritage Museum celebrates the culture of Clay County black and African American residents with oral histories and displays all located within an historic one-room school house. The Middleburg Historical Museum includes displays from the earliest years of the county, including Native American artifacts. The Clay County Historical Society & Museum in Green Cove Springs includes displays from the late 19th century through the present, including a display of railroad history. At Camp Chowenwaw Park, a Girl Scouts Museum traces the history of the group in Northeast Florida.

You will also find historical landmarks throughout the county, including Mineral Spring Park in Green Cove Springs and St. Margaret's Episcopal Church, which was built in the 1870s in Fleming Island. Additionally, there are numerous homes in the Orange Park area that are listed the National Register of Historic Places in Florida. The Old Jailhouse in Green Cove Springs dates to 1894 and is home to the Clay County Archives and a historical resource center.

Shopping

The county has a wide variety of shopping experiences for residents and visitors. There are many local retail and specialty shops that offer unique gifts, foods and more. Two large shopping centers offer larger retailers, as well. The Orange Park Mall on Wells Road has over 120 stores including Belk's, Dillard's, Sears, JC Penney, and Dick's Sporting Goods. It also has a 400-seat Food Court as well as several restaurants. The Oakleaf Town Center is an open-air shopping center with over 750,000 square feet of retail stores, banks, medical offices, and restaurants in Oakleaf Plantation. Among the more than 50 stores are Super Target, Kohl's and Home Depot. The Fleming Island and Brannan Field areas feature a number of large retailers and smaller specialty stores including Target, Wal-Mart, Kohl's, Lowe's and Home Depot. In addition, Blanding Boulevard and Park Avenue (US Hwy. 17) have a wide variety of both local and national retailers.

Dining

With nearly 200 dining establishments in Clay County, residents and visitors can take their choice of virtually every cuisine. From fine dining at The Hilltop to fast food, and everything in between, there is sure to be a restaurant to tempt your palate. The area is host to urban coffee shops, sports pubs, full-service restaurants and fast food of every kind. Whether your favorite cuisine is BBQ, seafood, Asian, burgers, subs, pizza, Mexican, Italian, Steak, Cajun, Greek, Caribbean, American—they are all here in Clay County.

Recreation & Entertainment

If you are looking for a place to kick back and relax, Clay County has something for everyone. The area has an abundance of outdoor activities including fishing, boating, sailing, and water sports at Doctors Lake, the St. Johns River and Black Creek. For hikers and wildlife lovers, Camp Chowenwaw Park in Green Cove Springs offers cabins, a pool, nature trails and more located on Black Creek. The Jennings State Forest, Mike Roess Gold Head Branch State Park, and the Belmore State Forest all offer excellent places to experience the beautiful outdoors and the interesting wildlife in Clay County.

For a little more excitement, visit bestbet Orange Park, where you can watch Greyhound racing or play Texas Hold 'em in the Poker Room. Enjoy food and drinks in the Paddock Dining Room or hand-rolled sushi in the Poker Room.

Movie lovers can enjoy first-run favorites at the Carmike Fleming Island 12 or the AMC 24 at the Orange Park Mall. The theaters feature digital surround sound, 3D and jumbo digital screens and comfortable seats. At the AMC 24, you can visit MacGuffins, an inviting lounge for adults only. IMAX screens are available at the AMC 24, and senior and student pricing is available.

MILITARY

Clay County offers a rich military history and continues to remain involved and affected by the military presence in Northeastern Florida. The military is a dominant factor in the Clay County economy as well as in the individual lives of many residents.

Military presence has created 4,342 jobs within Clay County, created $612 million in sales activity, and $97 million in capital investment. With military bases at Naval Air Station Jacksonville, Blount Island Command, and Camp Blanding Joint Training Center, the prevalent presence of the military in Clay County is definite.

Approximately 73,000 square acres located on the banks of Kingsley Lake, Camp Blanding is the location for Florida Army National Guard's primary training area. Established in 1939, Camp Blanding is used as a training center year-round to meet the training needs of thousands of National Guardsmen, Active Army soldiers and Army Reserves from across the United States. During World War II, 90,000 troops were trained at Camp Blanding, making it the fourth largest "city" in the state during that time.

United States Marine Corps Blount Island Command is located off the St. John's River in Jacksonville. The site began its usage for Marine Corps operations in 1986 and continues to be a site of activity for Marines.

The Naval Air Station of Jacksonville, located off Hwy. 17 also on the St. John's River, was established in 1940 and remains a dominant part of the military presence in Northeastern Florida. With the dawning

Join Our Family

Most good ideas are simple. Hard work is a good thing. There is a God. We treat employees and customers like we want to be treated.

These simple ideas have provided an atmosphere that has propelled us to the tenth largest employer in Clay County. We have built a customer base that is successful and satisfied. We provide our employees a safe, stable, growing environment that challenges and rewards their hard work.

If you are looking for a career in the heavy construction industry; come see us. No matter where you are in your career path we are interested in you. Labor, tradesman, operator, professional persons; all have a place in our family.

If you are a potential customer, or a potential employee come to our office and see what makes us different. See what makes us grow. We think you will find a home here.

Vallencourt.com - 904-291-9330

of World War II, the Naval Air Station was commissioned into use before its completion. With this new commission, the Naval Air Station was expanded to include a multitude of services for its military residents including a hospital, churches, gyms, restaurants, and boat ramps. NAS Jacksonville now displays several decommissioned planes on its Yorktown Avenue entrance that interests both the public and military residents. NAS Jacksonville continues to remain a bustling area of activity for naval personnel and their families. The Fleet Readiness Center Southeast is based at NAS Jacksonville.

Other military influences across Northeast Florida that transcend into Clay County include the Air National Guard and the United States Coast Guard of Jacksonville. These military bases and training sites greatly affect the economy and lifestyle of Clay County where many military personnel reside. With many residents currently or formerly involved in the military, its presence has shaped Clay County throughout the years and will continue to influence our county in years to come.

Clay Health Care

Clay County is blessed with three major medical centers and a host of physician offices, medical lab and diagnostic centers, mental health providers, and outpatient clinical centers in many specialties. A specialty hospital, Kindred Hospital - North Florida in Green Cove Springs, cares for patients requiring long-term hospitalization and medical support.

Virtually every medical and surgical service is available in Clay County. The two inpatient facilities, Orange Park Medical Center and St. Vincent's Clay, provide a full range of inpatient care for adults and children. In addition, a Trauma Center recently was added to Orange Park Medical Center. Baptist Medical Center Clay offers a wide variety of outpatient services at its Fleming Island campus and has plans to add inpatient beds in the near future. Now, Clay County residents can remain close to home for virtually any medical service required.

In addition to the hospitals, Clay County also is home to a number of specialty providers for areas including eye care, dermatology, physical rehabilitation, inpatient and outpatient mental health and substance abuse treatment, gastroenterology, orthopedics and more.

Several local hospitals also have a number of Primary Care physicians located throughout the county. Additionally, there are independent practice physicians in primary care and many other specialties.

High quality older adult care also is readily available in Clay County, including long term care, home-based nursing, and hospice care offered in Clay County. Penney Retirement Community's Pavilion for Health Care has been recognized by the Governor's Gold Seal Award more often than any other nursing facility in the state.

Kindred Hospital North Florida

Kindred Hospital North Florida is an 80-bed transitional care hospital that offers a full range of acute care services for medically complex patients who require continued care and extended recovery time.

As a regional referral center, our hospital specializes in managing medically complex, resource-intensive patients who require extended lengths of stay. Our goal is to be recognized as a "Center of Excellence" in the treatment of this medically fragile patient group. Kindred Hospital North Florida serves all of northern Florida and southeastern Georgia.

As a fully accredited acute care hospital, Kindred Hospital North Florida delivers nearly all levels of care, including intensive care. While our reputation is rooted in the innovative management of ventilator-dependent individuals, all acutely ill patients are considered for admission regardless of their prognosis.

As part of a nationwide system of Kindred Hospitals we benefit from a synergy that provides consistent enhancements in quality, protocols and technologies. The end goal of these efforts is to create an environment that enables each patient to maximize his or her potential. Specialized services offered include pulmonary services, critical care, renal dialysis, cardiac telemetry, blood bank, laboratory, pharmacy, EKG, radiology, nutritional support, speech, physical and occupational therapy, surgery, wound care management and outpatient GI services and comprehensive outpatient ultrasound.

Baptist Clay Medical Campus

Baptist Clay Medical Campus connects Clay County families to leading-edge emergency, primary and specialty care for children (newborn to age 18) and adults.

The centerpiece is the Baptist/Wolfson Children's Emergency Center, a freestanding hospital emergency center for pediatric and adult patients that is open 24/7. The Wolfson Children's ER has 16 beds and separate treatment and waiting areas for children is staffed every day with pediatric emergency medicine specialists (10 am-10 pm). It is the only pediatric ER in the region that is affiliated with Wolfson Children's Hospital. Our facility also has a LifeFlight helipad, Kids Kare Mobile ICU and ground ambulance for patients requiring additional care at a hospital. Our pediatric and adult ERs treated 21,000+ Clay County patients in the past year.

Baptist Diagnostics and Imaging is also located in the center, offering digital imaging and laboratory services for both children and adults. Tests offered include X-ray, CT, MRI, ultrasound, mammography, bone density and routine blood work. Outpatient CT and MRI appointments are available on Saturday mornings. Call 202.2222 to schedule an imaging test.

Next door, the three-story medical office building includes a unique partnership of pediatric specialists from Wolfson Children's Hospital, Wolfson Children's Rehabilitation, Nemours Children's Clinic, Fleming Island, and the University of Florida College of Medicine – Jacksonville.

The Wolfson Children's Specialty Center offers the following specialties:

- Audiology and hearing
- Allergy and asthma
- Cardiology
- Ear, nose and throat
- Physical, occupational and speech therapies
- Orthopedics and sports medicine
- Ophthalmology
- Psychology and psychiatry
- Pumonology
- Radiology

The Baptist Clay Medical Campus also includes primary care options for the entire family. Dale Boyd, MD, with Baptist Primary Care sees patients of all ages and one of three Orange Park Pediatrics offices is at Baptist Clay.

Baptist Neurology offers outpatient appointments, as does Baptist Rheumatology. Baptist Heart Specialists provides cardiology services and Baptist Medical Center Cardiac Testing is on site for stress tests and other routine exams. Borland-Groover Clinic specializes in the diagnosis and treatment of digestive and liver diseases and has an office on the Baptist Clay campus. For more information, visit baptistclay.com.

40 years

OF HEALING AND COMMUNITY SUPPORT

1974-2014

Orange Park MEDICAL CENTER

Expect Extraordinary.

Expect Extraordinary. We want every patient and visitor that comes through our doors to experience world-class healthcare. So we were proud to find out in 2014 Orange Park was in the top 4% of all hospitals nationwide for quality and safety.

CHAD PATRICK, CEO
ORANGE PARK MEDICAL CENTER

2014 has been a truly extraordinary year of growth, expansion and quality achievements for Orange Park Medical Center. When our hospital opened in 1974, few could imagine the impact the hospital would have on our community and beyond. This year, we literally opened the door to major campus improvements. We were privileged to care for 125,000 patients.

Many of those patients were children who have benefitted from the expansion of our pediatric emergency care. We are the only ER in the area with full-time pediatricians ready 24 hours a day to treat children age newborn to 17 years. We have ten pediatric ER treatment rooms and a new waiting area for our youngest patients. To complement our emergency services, we opened eight new pediatric in-patient beds and a pediatric intensive care unit. The second floor unit is staffed 24 hours a day by specially trained Pediatricians, Pediatric Nurses and Pediatric Intensivists. Additionally, all maternity rooms have been totally renovated which is good news for the approximately 2,200 new babies delivered at Orange Park each year.

Our new 7,000 square foot atrium lobby has already hosted community and hospital events. The area features a new gift shop, large chapel, classrooms and offices, and is a welcoming space for family and visitors.

This year saw the creation of our North Florida Advanced Robotics Institute, recognizing the important contribution of our highly skilled robotic surgeons. Our surgeons have performed 2,500 robotic surgeries, more than any other hospital in our area. The North Florida Advanced Robotics Institute is among a few select centers in the country offering a wide range of robotic surgeries, and it is the only center in North Florida and Southeast Georgia to provide life-saving mitral valve surgery and lung lobectomy surgery. The Institute has pioneered single site hysterectomies and has become a leader in gynecological robotic surgery.

The dedication and hard work of our 1,467 employees are the reason we have been selected for several important awards this year – Leapfrog Hospital 2014 Safety Score, Stroke Gold Plus, Heart Failure Gold Plus, Sepsis Certification and the Highest Quality Cardiac Surgery Rating. We were named "Top Performer" by the Joint Commission for four years in a row, placing us in the top 4% of all hospital nationally in terms of quality and safety.

Our dedication to learning has led Orange Park to become a community based academic medical center, or teaching hospital. In 2015, we will be providing a quality learning environment for physician residencies.

We truly have an extraordinary staff, volunteer team and physicians that strive to bring the highest quality care and healing to Orange Park Medical Center. We thank the community for continuing to put your trust in us.

Community Benefit

At the heart of all we do at Orange Park Medical Center is our commitment to meet the healthcare needs of our community. We have a staff of 1,467 persons, each dedicated to quality patient care. As the second-largest employer in Clay County, we gave back approximately $160 million toward economic development as a result of our salaries, wages and benefits, and the economic impact of our facility expansion projects.

Capital investment reached $10,554,646 in 2014. The expansion of our pediatric care and our updated lobby contributed to new staff additions. Our medical staff now includes 780 physicians across 42 specialties.

We were privileged to serve more than 125,000 patients in 2014. Our expanded Emergency Department gave us capacity to see more than 70,000 emergency patients.

In our mission to meet the needs of the community, Orange Park Medical Center provided more than $18,409,597 in charitable and uncompensated care to patients in 2014.

Orange Park MEDICAL CENTER

OrangeParkMedical.com • 2001 Kingsley Avenue • Orange Park, FL 32073

Orange Park Medical Center

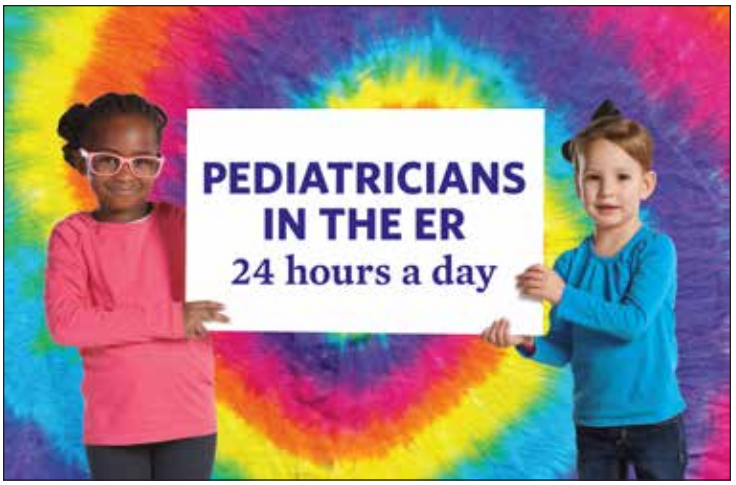

Orange Park Medical Center represents a 40 year commitment to meeting the healthcare needs of the community, providing the highest level of quality care and services. Orange Park continues to grow, expand and receive quality achievement awards, including the top rated open heart and stroke programs, and "Joint Commission Top Performer" status for five years in a row, placing Orange Park in the top three percent of all hospitals nationwide.

When the hospital opened in 1974, few could imagine the impact the hospital would have on our community and beyond. The staff at Orange Park are privileged to care for members of our community, as they've served generation and generation and are now taking full care of their youngest a children who are benefitting from the their pediatric emergency care, pediatric inpatient rooms and intensive care units. Orange Park continues to be the only ER in the area with fulltime pediatricians ready 24 hours a day to treat children age newborn to 17 years. With ten pediatric ER treatment rooms and a new waiting area for their youngest patients, no longer do parents have to travel to find quality care for their children.

Additionally, all maternity rooms have been totally renovated which is good news for the approximately 2,400 new babies delivered at Orange Park each year. Their 7,000 square foot atrium lobby has already hosted community and hospital events and serves as a grand welcome for all patients and visitors. The area features a new gift shop, large chapel, classrooms and offices, and is a welcoming space for family and visitors.

The North Florida Advanced Robotics Institute recognizes the important contribution of more than a dozen highly skilled robotic surgeons. These surgeons have performed more than 3,000 robotic surgeries, far more than other hospitals in the area. The North Florida Advanced Robotics Institute is among a few select centers in the country offering a wide range of robotic surgeries, and it is the only center in North Florida and Southeast Georgia to provide life-saving mitral valve surgery and lung lobectomy surgery. The Institute has pioneered single site hysterectomies and has become a leader in gynecological robotic surgery.

Orange Park Medical Center continues to expand their services and has brought on board an interventional neurologist who performs complex procedures, specializing in diagnoses and treatment of individuals with vascular diseases of the nervous system including life-threatening conditions such as stroke and aneurysm. This comes on the heels of being the first facility in North Florida to offer a new procedure to treat artery blockages and being the first in Northeast Florida to offer patients a new heart failure monitoring solution.

In addition, Orange Park's dedication to bringing the best physicians into the count has led them to become a regional based academic medical center, a world-class teaching hospital. As such, Orange Park has received more than 6,000 physician resident applicants to fill the spots of less than the top one percent.

The Orange Park Medical Center family strongly believes in supporting Clay County and our surrounding communities through our donations, sponsorships and volunteerism. We partner with more than 100 organizations to support and assist with initiatives that improve the health, well-being and lives of our area residents, employees and those who are truly in need. Each year, Orange Park Medical Center employees and physicians volunteer thousands of hours at local health fairs and community organizations.

St. Vincent's HealthCare

St. Vincent's HealthCare has been providing compassionate care to Clay County families for decades. From their Mobile Health Outreach Ministry to the new St. Vincent's Clay County in Middleburg--- thousands in our community have trusted their care to St. Vincent' s. In 2016, their services will expand.

St. Vincent's Clay County will double in size and add maternity services this year. The expansion will also bring more than 100 new jobs to the community, clinical and non-clinical.

"We've invested $100 million into our community through St. Vincent's Clay County and when our expansion is complete, we will have created more than 500 jobs," said Blain Claypool, President of Acute Care for St. Vincent's HealthCare. "As we have shown our commitment by creating jobs and expanding healthcare options here, other companies have taken notice and are doing what they can to improve the area."

In addition to an expanded emergency room and more patient rooms, the new Family Birth Place will allow more families to have their babies closer to home.

"This year, new lives will enter this world right here at St. Vincent's Clay County," said Claypool. "What a humbling and awesome task that is. We can't wait."

To watch the progress of the expansion at St. Vincent's Clay County, visit www.myclayhospital.com.

ST. VINCENT'S
HEALTHCARE

Clay Chamber Health Screen New Convenient Website!

Get a Complete Lab Panel for only $55; No Doctor's Order or Insurance Required!

Getting your blood tested could cost you $350 or more, but the Clay Chamber's health screening program allows you to do so for just $55. And for just $20 more, men can get a PSA (Prostate Specific Antigen). It is a great inexpensive way for you to find out if your health is at risk.

Testing Includes:

- COMPREHENSIVE METABOLIC PANEL (CMP)
- LIPID PROFILE
- COMPLETE BLOOD COUNT (CBC)
- THYROID STIMULATING HORMONE (TSH)
- URIC ACID
- PROSTATE-SPECIFIC ANTIGEN (PSA) OPTIONAL FOR MEN ONLY

This program is open to everyone and it is available year round. You can register online at the NEW convenient website at www.CCCCHealth.com or in person at the Clay County Chamber of Commerce located at 1734 Kingsley Avenue in Orange Park. For additional information, please call (904) 264-2651 ext. 214. The screening is done in partnership with Consolidated Laboratory Services; St. Vincent's HealthCare.

Where you take your child for emergency care matters.

When it comes to caring for newborns to teens, not all ERs are alike.

Experience matters. Unlike other ERs, at Wolfson Children's ER at Baptist Clay, your child will always be seen by a board-certified physician experienced in pediatric care.

Speed to care matters. Our pediatric-trained triage nurses are skilled in quickly assessing your child to move them directly to the level of care needed.

A pediatric team matters. Your child's ER doctor works with a team of pediatric experts who recognize subtle differences in children, which can be vital in an emergency.

Kid-sized technology matters. Wolfson Children's offers pediatric-specific trauma equipment and imaging, reviewed by pediatric radiologists.

Why take chances? When your child has a medical emergency, you never really know how serious it might be, so we hope you'll choose Wolfson Children's. We're right here in Clay County 24/7 with fast, safe, expert care you can rely on.

Clay County is in the top 20 school districts in the state of Florida in academic performance. This high honor is illustrative of the great opportunities available to Clay County students and the high degree of education offered.

With more than 35,000 students and forty one schools, includes 26 elementary schools, six junior high schools, one junior-senior high school, six high schools, one alternative learning center, one K-12 virtual school and an adult and community education program. The Clay County School District averages 18-students per class for kindergarten through third grades and 22 students per class in fourth through eighth grades.

Clay County offer its students an array of excellent education opportunities including music, art, sports, technology, an International Baccalaureate program, Cambridge Academy and NJROTC. The district also provides services and programs to meet the needs with varying exceptionalities including Pre-K and programs for non-English speaking students.

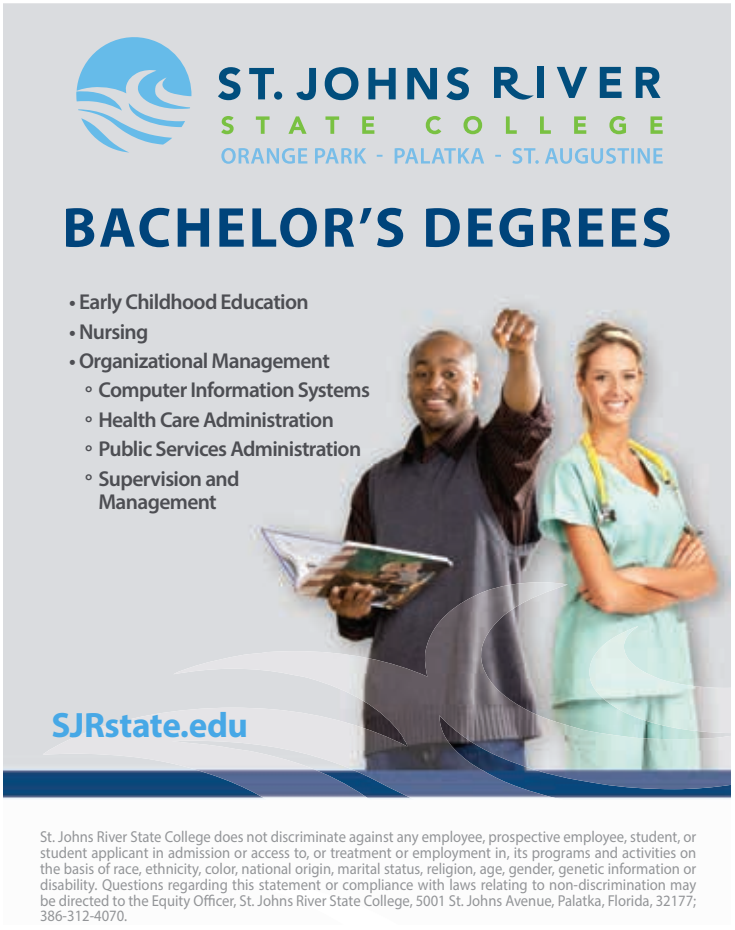

The School District of Clay County is committed to building on a tradition of excellence as they Innovate, Engage and Empower. One of the ways they are Innovating is through a redesign of high schools to better engage students in small themed learning communities called "The Academies of Clay."

Listed below are some of the highlights and awards the district has received:

- Expansion of Robotics Clubs into the high schools
- IPad initiative in all Title I schools as part of a greater effort to create 21st century classrooms
- Designated a Ford Next Generation Learning Community – 1 of only 17 districts nationwide
- Military Child Education Collation, 2014 Exemplary Partnership Award: Full STEA+M Ahead
- Clay Teachers are ranked 8th in the state based on VAM scores
- All High schools have "A" or "B" grades

Along with the outstanding public school system in Clay County, there are also numerous upstanding private schools. These private schools include Annunciation Catholic School, Big Oak Montessori of Orange Park, The Broach School, Imagination Island of Fleming Island, Faith Christian Academy, Seven Bridges Preparatory School and St. Johns Country Day School. There are also multiple pre-schools throughout the county.

St. Johns River State College's Orange Park campus is located in Clay County. The college has three campuses located on the First Coast, including Palatka, St. Augustine, Ponte Vedra and the Orange Park location. SJR State College now offers bachelor's degree programs in Early Childhood Education and Organizational Management in addition to their associate in arts and associate in science degree programs. The University of North Florida (UNF) and the University of Florida (UF) are both within driving distance. We also have nine other private colleges and universities in Northeast Florida.

St. Johns River State College does not discriminate against any employee, prospective employee, student, or student applicant in admission or access to, or treatment or employment in, its programs and activities on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information or disability. Questions regarding this statement or compliance with laws relating to non-discrimination may be directed to the Equity Officer, St. Johns River State College, 5001 St. Johns Avenue, Palatka, Florida, 32177; 386-312-4070.

CLAY TEACHERS RANK 8TH IN STATE

Charlie Van Zant, Jr.
Superintendent of Schools

The School District of Clay County has launched a new district website as part of a continued effort to innovate, engage and empower. Our strategic efforts to make every student "Future Ready" by expanding the district's business driven Career & Technical program and building on strong academics with an emphasis on ensuring students are reading on grade level.

Innovate by continually asking, "Are we doing things the most effective/efficient way possible and maximizing the potential of technology?"

Engage parents and the community in the process as key partners in the journey of education.

Empower teachers and staff with local flexibility in decision-making methods so the best results are achieved.

Clay's Graduation Rates Have Increased 9.5% In Just 4 years! Clay's Graduation Rate Is Now Above The National Average For The First Time In History!

"We are always looking for ways to strengthen communication. This redesigned website will help with that effort and will feature positive news stories from schools across the district." said Superintendent Charlie Van Zant. The new site has the same web address www.oneclay.net but has a completely new look. The site has an area for parents, employees, and the community. The website will also feature news stories and pictures of education in action in schools throughout the district.

The School District of Clay County exists to prepare life-long learners for success in a global and competitive workplace and in acquiring applicable life skills.

TRANSPORTATION

First Coast Expressway – I-295

Progress continues on the First Coast Expressway, a new multi-lane limited access toll facility that will eventually run directly through Clay County, connecting Interstate 95 (I-95) in northern St. Johns County to Interstate 10 (I-10) in western Duval County. The northern section from SR 21 (Blanding Blvd.) in Clay County to I-10 in Duval County is scheduled for completion in summer 2016.

Interstate 295 (I-295) provides a link to Clay County and the surrounding areas. The town of Orange Park has two main entrances to I-295, found at Blanding Boulevard (State Road 21) and Park Avenue (State Road 17).

I-295, an auxiliary route of Interstate 95, is a beltway around central Jacksonville, Florida. The 60.864 mile-long beltway consists of two segments, the West Beltway (formerly signed as simply I-295), and the East Beltway (formerly signed as State Road 9A), with I-95 serving as the dividing line between the two.

Clay County's access to I-295 allows for easy commuting and traveling to other large cities in Florida and southern Georgia. Taking I-295 South to I-95 South, residents are within a two-three hour drive from the many attractions of Orlando, the beautiful beaches of Daytona and historic sites of St. Augustine along the way. I-295 North to I-10 West will take residents through Northern Florida and into Tallahassee in only about three hours' time. The trip into Georgia is also a short one for residents of Clay County. Traveling farther south into Florida, to cities such as Tampa, will only take residents approximately three to four hours.

A more scenic drive to St. Augustine can be achieved by traveling south on SR 17 into Green Cove Springs, and then taking SR 16 into St. Augustine, where you will pass through the twisting oak trees of Penney Farms and by the famed outlet mall into historic St. Augustine. Clay County's prime location provides its residents with easy access to explore Florida and Georgia.

Clay Transit

Clay Transit is the Community Transportation Coordinator (CTC) providing transportation to residents of Clay County. Clay Transit provides door-to-door services for medical appointments and Public transportation on (7) Flex routes that operate in the County and connecting to surrounding counties. The Green Line, Blue Line, Red Line, and Orange Line will connect you to JTA at the Orange Park Mall enabling riders to commute from Middleburg, Fleming Island, Green Cove Springs and Orange Park all the way

into Jacksonville or vice versa. The Magenta Line runs out of Keystone Heights and connects riders to RTS station in Gainesville. The Teal Line is one of the newest lines, starts in Keystone Heights and commutes to Black Creek Park n Ride located on CR 220 and connects riders to other lines as well as JTA. The Purple Line provides service in the Middleburg for individuals to commute. All shuttles are equipped with a bike rack to accommodate two bikes and are wheelchair accessible. For more information visit www.claytransit.com or call (904) 284-5977.

JTA

The Jacksonville Transportation Authority (JTA) is an independent agency of the State of Florida. JTA designs and constructs bridges and highways and provides varied mass transit services. These include express and regular bus service, community shuttles for a neighborhood ride, a downtown Skyway monorail, a niche Trolley service, the Stadium Shuttle for various sporting events at EverBank Field, Paratransit for the disabled, and Ride Request on demand services.

JTA operates 44 bus routes. Clay County is served by the Route 201 – Clay Regional Express with stops at Orange Park Medical Center and the Black Creek Park-n-Ride on CR 220; Route 5 with stops at the Orange Park Mall; and Route 301 – Oakleaf Community Shuttle with service between Oakleaf Town Center and the Orange Park Mall. For more information, visit www.jtafla.com or call (904) 630-3100.

Jacksonville Airport

The Jacksonville International Airport (JAX) is located just minutes from downtown Jacksonville. JAX provides non-stop flights to major U.S. cities, including those that serve as international gateways. More than a dozen major airlines and a network of regional carriers provide some 200 daily arrivals and departures at JAX.

When you're traveling through Jacksonville International Airport (JAX), take advantage free Wi-Fi, convenient parking options, rocking chairs, live music, onsite rental cars, fantastic art exhibits and wide array of shopping and dining options. Visit www.flyjacksonville.com for more airport information.

Overall Transit Map

Created By:GIS Department
Map Prepared: Jan.12,2011

Keystone Airpark

The Keystone Airpark is located approximately four miles north of the City of Keystone Heights and approximately ten miles Southeast of Starke on State Road 100. It is also situated on the county line between Clay and Bradford Counties.

Although Keystone Heights Airpark is located close to two major airports, it is the only general aviation airport in Clay and Bradford Counties. Jacksonville International Airport (JAX) is approximately 43 nautical miles to the Northeast and Gainesville Regional Airport (GNV) is approximately 15 nautical miles to the Southwest. Visit the Airpark's website at www.keystoneairport.com or call (352) 473-0031 for additional information.

Amtrak

Local residents of Northeast Florida may also be interested in traveling via train. Amtrak's Jacksonville station located at 3570 Clifford Lane can be contacted at (904) 766-5126. Trains offer many travelers with a new and interesting mode of transportation. By visiting the Amtrak website at www.amtrak.com, interested travelers can find further information on booking their next continental vacation via train.

A Letter From...

President, Clay Florida Economic Development Council

The mission of the Clay Florida Economic Development Corporation is to promote high-wage job creation in Clay County. Economic development is a never-ending pursuit and involves both the private and public sectors. Local businesses and local governments work together to support the growth of existing high-wage companies, as well as to recruit new high-wage employers to Clay County.

The Clay County labor force is a well-educated, highly-experienced workforce. Clay has a 103,000 person labor force, but only 47,000 jobs. That requires most of the labor force to commute to Jacksonville for employment. Clay's 57% commuter rate is the highest in the region. Our goal is to help create more high-wage jobs in Clay County so more of those workers can work closer to home.

Clay County has several high-wage sectors that have all grown significantly: health care and life science, information technology, manufacturing, and aviation. We will continue to support those companies that are already growing in Clay and work with our state and regional partners to recruit new high-wage companies to locate in Clay County.

You can learn more about the Clay County Economic Development Corporation and our efforts to promote high-wage job creation at www.chooseclay.com.

Bill Garrison
President

Chairman, Clay Florida Economic Development Council

It is my honor to serve as the Chairman of the Board of Directors for the Clay Florida Economic Development Corporation (EDC) for 2016. Our Board is comprised of business and community leaders that are committed and understand the importance of actively promoting continued economic growth and prosperity. Clay County continues to be recognized in the North Florida region as a premier location to live, work, and play. Our goal as a Board is to continue to build upon this foundation through the coordinated efforts of our investors, the business community, and the local government.

Besides me as Chairman, the EDC Board includes: Vice-chair Chad Patrick, CEO of Orange Park Medical Center; Brian Knight, CEO/Owner of Pragmatic Works; David Meyer, Chief Strategy Officer of St. Vincent's HealthCare; George Egan, CEO/President of Reinhold Corporation; Jerry Agresti, President of Developers Realty Group; Ted McGowan, Executive Director of Reynolds Industrial Park; Van Royal, Mayor of Green Cove Springs; Joe Mobley, Principal at The Fiorentino Group; and Joseph Nowland, Sr. VP Business Services at VyStar Credit Union. Frank Miller of Gunster Law Firm serves as Board Attorney. The composition of the Board reflects the unified commitment and coordinated efforts of our investors, the business community, and the local government.

We look forward to a prosperous and very successful 2016 as we continue to promote high-quality job growth in Clay County.

Dr. Anna Lebesch
Chairman

CLAY COUNTY UTILITY AUTHORITY

You most likely know Clay County Utility Authority (CCUA) as your water company, but we are so much more. We are your partner, committed to ensuring Clay County is an environmentally sound and thriving place to live, work, and play.

If you are a business owner in Clay County, you recognize the importance of having accessible, affordable utility services. Our dedicated Service Availability Staff work with new businesses to set up their water, wastewater, and reclaimed water service, and do so at the lowest cost in the time frame required. We work to make sure each business has the proper equipment to meet regulatory and environmental standards. We will even make personal visits to your business to help identify leaks or problems and assist with inspections and testing.

Cutting edge programs we provide our residential customers include free water conservation assessments, cross connection inspections for homes with reclaimed water, leak credits when you promptly repair any leaks discovered, pool credits for newly installed swimming pools or repairs made to pools, and even sod credits when you decide it's time to spruce up your lawn. Our staff is available 24/7 to assist when you have an emergency with your utility services. Please know we are always just a phone call away.

COMMITTED TO OUR COMMUNITY

Our family of 147 employees volunteers with numerous local charitable and non-profit organizations. We are particularly proud of our partnership with Clay County Schools, educating students and mentoring interns on environmental sciences, conservation, engineering and information technology.

You may also see our specialists performing maintenance on our utility infrastructure throughout the community, as our team works to ensure service is there when you need it. When you see one of our team members, whether it is in our office or out in the community, please know that we are striving to provide you with the best quality service at the most affordable price, using only the most environmentally friendly practices.

The entire CCUA Board of Supervisors and most of our staff reside in our service area, experiencing the same service, rates and water quality as the 115,335 residents who count on us for their water, wastewater, and reclaimed water. Our leadership team and staff are customers too and they expect the very best, just like you.

AFFORDABLE DRINKING WATER

As a CCUA customer, you will typically have one of the lowest utility bills for water, wastewater, and reclaimed services. One of the ways we accomplish this is investing in innovation and obtaining funding from various regulatory agencies. The cost of CCUA water is less than a penny a gallon using our average monthly water bill. If you compare that cost to a bottle of water, that's a pretty good value!

CCUA CUSTOMERS ENJOY LOWER RATES

BASED ON AVERAGE RATES FOR EQUIVALENT RESIDENTIAL CONSUMPTION, INCLUDING ALL FEES AND SURCHARGES.

CCUA	$74.54
ST. JOHNS COUNTY	$88.15
JEA - GREATER DUVAL	$88.77
GRU - GAINESVILLE	$93.55

WATER QUALITY

One of the most important natural resources is our water supply. A safe, economical and abundant drinking water supply is essential to maintain our quality of life and ensure the economic vitality of our community. The Floridan Aquifer is currently Clay County's sole source of drinking water.

The Floridan Aquifer is a vast area that underlies approximately 100,000 square miles in southern Alabama, southeastern Georgia, southern South Carolina and all of Florida. The aquifer contains high quality ground water that is confined well below ground level. Geologic formations, known as confining layers, protect ground water from contamination. After water has been withdrawn from the aquifer, it is aerated, disinfected and then pumped to your home. Our highest priority is to ensure we provide our customers safe, top quality drinking water.

CONSERVATION AND PLANNING FOR THE FUTURE

Our customers have been great conservation partners, as more than 92% of our total residential customers do not exceed an average of 8,133 gallons of water usage per month. The total pumping from our water treatment plants has decreased 18.31% since 2008, even though the total number of our residential customers has increased by close to 4,000.

We recognize that relying on the Floridan Aquifer as a water source will not always be a viable solution to providing you with the supply of quality water you will require. That is why our team of engineers is constantly researching alternative water supply sources and preparing for the future. In addition, to make sure we have an adequate supply in the future, we have implemented an impressive water resource protection and conservation plan.

At CCUA we strive to exceed our customers' expectations, so please reach out to us regarding your recommendations for improved service. To learn more or to contact us please visit our web site at **www.clayutility.org**.

REYNOLDS PARK

REYNOLDS PARK is located in beautiful northeast Florida. The park is within the historic town of Green Cove Springs and was established in 1965 by industrialist J. Louis Reynolds of the Reynolds Metal Company. The Park remains in the family today.

The Park is a 1750 acre mixed use development with facilities including 5000' airstrip, 3 miles of St. Johns River frontage, rail access, and adjacent nature preserve.

A Golfing Paradise

The natural beauty of Clay County combined with the favorable Northeast Florida weather makes the area a perfect golfer's paradise all year round. Natural lakes, soaring pines, protected wetlands and moss-draped oaks make a beautiful and relaxing setting for golfers.

Clay County is home to eight courses, including an 18-hole Championship golf course, that are designed for golfers of all skill levels. Country Club golf courses are located in Oakleaf, Eagle Harbor, Magnolia Point, Orange Park and Fleming Island Plantation. Most feature full club ameni-ties including dining facilities.

Eagle Harbor Golf Course is a championship course with 18 challenging holes with a newly-renovated Club. The Golf Club at Fleming Island Plantation was designed by Bobby Weed and is open to the public. Eagle Landing at Oakleaf Plantation is a 27-hold course with the county's longest set of greens. The Country Club of Orange Park is an 18-hole semi-private course.

Established in 1950, the public River Bend Golf Links was recently was named the most im-proved course in the region. In addition, Penney Retirement Community has a 9-hole course and in Keystone Heights, golfers can play the oldest course in Clay County at the 9-hole Lakeside Links Golf Club, which opened in 1928.

HAVEN HOSPICE

Ask for Haven Hospice.

Not all hospices are the same.

Haven takes care of patients wherever they call home: a private residence, assisted living facility, nursing home or in the hospital.

800.HOSPICE (478.7423)

havenhospice.org

Serving North Florida since 1979. Licensed as a not-for-profit hospice since 1980.

REDEFINING THE RULES

HAVE YOU LOOKED AT YOUR WASTE BILL LATELY?

We achieve savings for 90% of all clients we evaluate - over $1 million dollars in client savings!!

Our recycling programs reduced our clients waste by 400 tons - over $200,000 in reduced landfill fees.

Over 35 years in managing waste and recycling services.

Call to schedule a no-obligation waste and recycling audit to see how much we can add back to your bottom line.

INNOVATIVE CO-OPERATIVE PRICING MODEL CAN SAVE YOUR COMPANY FROM 20-40% ON WASTE AND RECYCLING SERVICES.
