Mickey's Uncut Hits: A Raunchy Cabaret

Get naughty & laugh your pants off with Disney songs like you've never heard them before! NSFW

This Philly Pride weekend, forget your troubles and get happy (and horny!) with **Mickey's Uncut Hits**, a show filled with raunchy parodies of Disney favorites which have been 're-imagineered' into an entire soundtrack of salacious songs! Hitting Philly just in time for PRIDE 2026, *Mickey's* is a playful, hysterical, randy (and extremely QUEER) romp. With ditties like "(Your) Booty is a Feast" (parody of "Beauty and the Beast"), "The Circle Jerk Tonight" (parody of "Circle of Life"), and "You've Got An STD" (parody of "You've Got a Friend in Me"), plus many many more, **Mickey's Uncut Hits** takes sex positivity to a new level - and then some! Each night, the show will also feature beloved characters Dickey & Ditzzy Mouse and their continuing adventures. And an evening with the *Mickey's* crew wouldn't be complete without some XXX trivia and prizes for the audience!

Join Miss Kales, Joel Pietrzak, Leanne Troutman, Emileigh Ireland, and the absolutely legendary, second-only-to-Elton himself, Jelani Dream, tickling the ivories, for a night that you won't soon forget. And, who knows, you might even get lucky?!

Established in 2021 by Miss Kales and Joel Pietrzak, **KAJOLE** is a writing and performing team that develops and independently produces original work, with a strong focus on musical comedy, parody, and breaking the 4th wall! In 2023, they produced **Mickey's Uncut Hits** in residency Off-Broadway. Since then, they have continued to perform and develop *Mickey's* while also focusing on new ventures, such as **Human Jukebox**, an original interactive game show they presented in 2025 in NYC. **KAJOLE** is also excited to be bringing **Human Jukebox** to the Edinburgh Festival Fringe this August.
